A rich bittersweet still cider with plenty of body and a long finish, medium tannins and sweetness.

SHEPPY'S CIDER

10

Sheppy's Raspberry 3.4%

We have captured summer in a bottle with our lightly carbonated Cider with Raspberry. It's light and refreshing with not an artificial flavour in sight. Blended at home on the farm using a light, but traditional cider apple blend and pure raspberry juice, you will still know you are drinking cider. Not too sweet, and with a manageable ABV, this is perfect for a summer's day.

10

Sheppy's 200 4.8%

In 2016 the Sheppy family celebrated 200 years and six generations of craft cider-making, and this special edition bicentennial blend was created to mark the occasion. With the use of home-grown traditional cider apple varieties, it embodies the family's stewardship of their farm's old orchards over the last century, and marks a moment to be celebrated as the family tradition continues into the future. Sheppy's 200 is full-flavoured medium cider, with some traditional tannin undertones.

10

Sheppy's Classic 5.5%

Sheppy's famous Classic Draught Cider is produced in Somerset from apples grown at home on the farm at Three Bridges. A traditional blend of cider and dessert apple varieties produces this thirst-quenching sharing cider with an ABV of 5.5%.

10

Sheppy's Low Alcohol

A light and refreshing drink with lots of flavour and a hint of tannin to make it feel like you're actually drinking an alcoholic cider. Sweet.

10

Farmhouse 6% Dry 6% Sweet 6%

Farmhouse draught is a filtered cider and has been the foundation of Sheppy's Cider over generations. A traditional blend of cider apple varieties produces this still smooth, satisfying cider. The cider should be served slightly chilled, but do not over chill. Still.

10

Kingston Black 6.5%

Kingston Black is produced from the increasingly rare old Somerset cider apple variety called Kingston Black, renowned for being one of the finest cider varieties in the world. Dry.

10

Elderflower 4%

This cider is one of our refreshing summer fruit ciders – a lighter alternative to classic cider. We like to call this our 'Cider with Elderflower' rather than 'Elderflower Cider' because we want the apples to play an important part in what makes this cider taste as good as it does. The end result is a cider that is equally well-balanced with both aromatic elderflower and flavourful Somerset apples.

Blackberry and Elderflower 3.4%

Sheppy's Cider with Blackberry and Elderflower is lightly carbonated and produced at our farm in Somerset. It is a delicious combination of dessert apple cider with blackberry juice and elderflower infusion. This artful combination captures the essence of Somerset's sunny hedgerows. It is a crimson-red cider scented with aromatic elderflower and with the slight fruity sharpness natural to hedge blackberries.

Sheppy's Cloudy 4.5%

Sheppy's Original Cloudy Cider is a light blend of David Sheppy's traditional Somerset cider and a touch of pure cloudy apple juice to produce a lightly sparkling medium sweet cider with a crisp and fruity flavour.
